Carol,

I wanted to take a moment to thank for including me in the unveiling of the University Song. I consider it an honor to be a part of such an important moment in ISU's history. I will look forward to the Old Main ceremony as well!

If you have any video footage or printed material that I could obtain copies of from this week could you please forward them as I would love to have them for my files.

Again thank you for the opportunity.

Chris
